The Buyer _____ agrees to a non refundable deposit in the amount of \$300.00 to be paid to the Breeder/Seller with the remaining balance due in cash at the time of pick up for a Golden Retriever/Goldendoodle puppy.

The Golden Retriever will be resmnh hvrved from a litter whelped by this Dam: _____

I agree and understand that the breeder will raise this puppy for a minimum of 8 weeks of age. Unless otherwise agreed, the breeder will not reserve gender or coat color. Gender may be reserved in the case of a Trained Puppy and/or Guardian Home puppy. Gender may also be reserved with Golden Doodle litters.

I agree and understand that this deposit is non-refundable unless the puppy is not delivered for any reason. In the case that there is no available puppy, the deposit will then be refunded or transferable to the next available litter. I agree that if I decide to back out of getting a puppy less than 3 weeks before the scheduled puppy take home date, my deposit is non-refundable. I agree that even though the Breeder has given a time frame for the whelping of this puppy that this is subject to change depending on when the Dam goes into heat. Tvh Breeder does not guarantee that a Dam will enter into heat during the given time frame and will not refund the deposit for an early or late heat/whelping. However, if the Dam does not go into heat within 6 months of the given time frame, the deposit is refundable.

Appointments for Puppy Pick Up will be arranged in the order deposits are given. These appointments need to be kept or you will lose your place on the list and be moved to the bottom of the list. The Breeder will reach out to you to arrange a Pick Up time that is convenient for you. Once your Pick Up time appointment passes, a boarding fee of \$20 a day will be applied for each day the puppy remains with the Breeder. The puppies will not be sold under 8 weeks old and no visits are allowed to unvaccinated puppies. In the case of the Trained Puppy, the Breeder will arrange a separate meeting time for the priority pick puppy. Though the puppies are temperament tested, the Breeder does Not guarantee coat type or temperament of the puppies.

I agree and understand that the Breeder reserves the right to claim any of the puppies for themselves, and the Breeder will receive priority pick over any other buyers. The Breeder will only reserve 5-8 spots while the Bitch is pregnant, and a typical litter is between 7- 10 puppies, but the Breeder can not guarantee litter

By signing below I agree and understand all the terms of this contract.
